

Chedid Re announces appointment of new Marine & Energy Senior Manager

Beirut, February 2014

Chedid Re, the leading Reinsurance Broker in the Middle East & North Africa is pleased to announce the appointment of Mr. Jalal Tabaja as Senior Manager in the Marine & Energy Department since 21st of January 2014 based in Beirut.

Prior to Joining Chedid Re, Jalal was holding the position of Strategy and Business Development Manager at Trust Compass Insurance Co.

Jalal has more than 10 years of experience in the facultative reinsurance market on both the underwriting and business development side. He started his career at Trust Re Bahrain in 2003. He then progressed to become the Underwriter for Marine & Energy as well as the Regional Manager for Turkey CIS, CEE, Balkan, and Russia Area.

Jalal holds a Bachelor's degree in Electrical Engineering and is a Fellow of the Chartered Insurance Institute (FCII, Chartered Insurer).

"We are pleased to welcome Jalal as one of Chedid Re senior team members; he has a solid background in the Marine & Energy industry. His experience and knowledge will definitely enhance our value proposition to our clients and reinsurers", Farid Chedid, Chairman & CEO of Chedid Re, declared.

Jalal Tabaja affirmed: "I am honored to join Chedid Re, a company that has a great track record and a large potential of development in the insurance & reinsurance market."
